MEMORANDUM FOR THE RECORD

SUBJECT: Former Spouse and Dependent(s) Annuity Sharing
Legislative Proposals

Attached are copies of two Bills recently introduced that bear on the issue of former spouse and dependent sharing of federal employee annuity entitlements. The first, H.R. 2300, was introduced in March 1983 and was recently the subject of a hearing conducted by the Subcommittee on Compensation and Employee Benefits, House Committee on Post Office and Civil Service. This office provided proposed testimony for that hearing for your prior review and comment. The second Bill is S. 1930, which was introduced on 6 October 1983. No Senate hearings are as yet scheduled for this Bill. It is nearly identical to H.R. 2300 and would probably be paired with it in conference were each to be passed in their respective chambers.
